*As Agricultural Census, 1976-77 could not be conducted in Punjab, the figures have, therefore, been worked out by adopting the trends observed in the neighbouring State of Haryana to obtain All-India estimate. Separate figures for individual, Joint and Institutional Holdings could not be worked out for Punjab.

@Includes 174 thousand holdings in Col. 11 and 1211 thousand hectares in Col. 12 of Size Class 5.0—10.0 ha. in the case of Punjab as the break up into size classes 5.0—7.5 ha. and 7.5—10.0 ha. had not been possible for that State.
